The limit of liability for Oil Pollution is USD 1,000,000,000. For passenger and seaman risks the limit is USD 3,000,000,000 with a sub-limit of USD 2,000,000,000 for passenger claims only.

Subject always to the Rules of the Association and the terms of entry for the Assured, the following is included in the cover:

Liability for pollution (caused by a spillage of oil or any hazardous and noxious substances) (Rule 6)

Wreck Removal liability (Rule 7 section 5)

In respect of the risks insured hereunder, to the extent the Member is insured for pollution risks under any other Insurance, cover hereunder shall be null, void and of no effect, up to the limits of said other insurance. Above the limits of said other insurance, cover under this insurance shall remain in effect, subject always to the limits herein which are applicable to such risks, to any deductible(s), and to the other terms, conditions and Club Rules. In the event the limits available under such other insurance are the same as or greater than the limits available for pollution losses under this insurance, then this insurance shall be null, void and of no effect with regard to such claims. In the event the limits of said other insurance are less than the limits available hereunder, this insurance shall respond up to the limits set forth herein for pollution losses, but only for the amount by which any such losses exceed the stated limits of such other insurance, and then only up to the limits set forth herein for pollution losses. This insurance shall respond only in excess of the stated limits of the other insurance, whether or not the full amount of such other policy limits, or any amount at all, is recoverable thereunder.

Notwithstanding the Terms of Rule (11:6), this insurance will not provide any recovery in respect of liabilities insured under any other insurance, or provide pro rated or allocated cover, on the basis of double insurance or otherwise, except as set forth above; nor will this insurance replace any other insurance where (for whatever reason) that other insurance does not or is not able to respond to a claim thereunder.

This certificate of entry is evidence only of the contract of indemnity insurance between the above named Member(s) and the Association and shall not be construed as evidence of any undertaking, financial or otherwise, on the part of the Association to any other party.

In the event that a Member tenders this certificate as evidence of insurance under any applicable law relating to financial responsibility, or otherwise shows or offers it to any other party as evidence of insurance, such use of this Certificate by the Member is not to be taken as any indication that the Association thereby consents to act as guarantor or to be sued directly in any jurisdiction whatsoever. The Association does not so consent.
